ANY OTHER BUSINESS THAT MAY LEGALLY COME BEFORE THE ANNUAL MEETING

ADJOURNMENT

It is possible that members and possibly a quorum of members of other governmental bodies of the municipality may be in attendance at the above-stated meeting to gather information; no action will be taken by any other governmental body except by the governing body noticed. Please note, upon reasonable notice, efforts will be made to accommodate the needs of individuals with disabilities through appropriate aids and services. For additional information or to request this service, contact Kathy Karalewicz at 363-4555.

ANNUAL MEETING MINUTES

TUESDAY, APRIL 18, 2023

Chairman Topczewski called the Annual Meeting to order and the Pledge of Allegiance was recited. Chairman Topczewski stated the meeting was noticed.

Chairman Topczewski introduced the newly elected officials, Supervisors Clabault and Wrasman for another term 2023-2025 and Chairman Topczewski for another term 2023-2025.

MINUTES

Motion by Supervisor Clabault second by Supervisor Boucher to approve the minutes of the Annual Meeting from April 19, 2022. All ayes.

2022 FINANCIAL REPORT

Paul Frantz from Baker Tilly gave a recorded version of the report for the 2022 financials. The Town is in great financial shape. He stated the town's borrowing is \$3,000,000 however is eligible for \$64,000,000 based on the general fund. There were no questions/comments.

CHAIRMAN/ADMINISTRATOR'S REPORT

Kathy Karalewitz, Administrator/Clerk-Treasurer read the Town Chairman/Administrator report. There were no questions.

PUBLIC WORKS DEPARTMENT

Jeff Yaeger, Superintendent of Public Works was present and the Administrator introduced Jeff as the new Superintendent of Public Works who is taking over for Rick Peterson who retired February 2023. However, Jeff was hired in September 2022 to show Rick to learn some of the job duties in the town. There were no questions.

PARKS AND RECREATION DEPARTMENT

Dave Adams was present and mentioned the new staff hired in Parks and Recreation and mentioned the new shed built in Oakridge Park. There were no questions.

POLICE DEPARTMENT

Police Chief Tom Czarnecki was present. The Chief mentioned the passing of Tony Kemnitz who was past police chief and that he was a great individual and is missed. He thanked the residents who participated in the referendum process whether there were in favor or against it. He stated he has hired one police officer out of the 3 he will be hiring. He said the interviewing process for the other 2 officers is being scheduled. There were no questions.

FIRE DEPARTMENT

Fire Chief Jeff Stien was present and gave a report for the fire department. He thanked the residents for their support/participation in the 2022 referendum. Chief Stien said he filled 2 of the 6 positions. He stated the competition makes it tough to hire. There were no questions.

ASSESSOR REPORT

Dean Peters, from Associated Appraisals, the assessor for the town, was present and spoke regarding the upcoming revaluation of the Town of Mukwonago. He stated there was the "Guide to Property Owners" he put on the table and residents should feel free to take one with them. It will help guide them during the revaluation process.

COUNTY BOARD SUPERVISOR(S) REPORT DISTRICTS 14 AND 25

Darlene Johnson gave a report for her district and Chris Mommerts district. There were no questions.

PHANTOM LAKES MANAGEMENT DISTRICT

Joe Grayck gave the report for PLMD. There were no questions.

SPRING BROOK LAKE MANAGEMENT DISTRICT

Jim McNelly was present and gave the report. There were no questions.

SETTING OF SALARIES

Motion by Supervisor Boucher, second by Supervisor Yerke to have the salaries for the board to remain the same. All ayes.

DATE OF NEXT ANNUAL MEETING SET FOR TUESDAY, APRIL 16, 2024 AT 6:30 P.M.

There was no other business.

ADJOURNMENT

Motion by Lyle Boucher, second by Chairman Topczewski to adjourn at 7:25 p.m. All ayes.

Town of Mukwonago

Administration Clerk / Treasurer

W320 S8315 Beulah Road
Mukwonago, WI 53149

TOWN CHAIRMAN'S 2023 ANNUAL REPORT

1. In 2023 the Country Bliss Relief Pipeline Project was completed. This was a project that has been talked about for years. The pipeline was installed along the right of way in the Country Bliss Subdivision into the Stonebrook Hollow Subdivision to relieve flooding in the roadway in the Country Bliss Subdivision. Some of the ARPA fund grant monies were used to pay toward the project.
2. The expansion of the police department was started in 2023, and finished in 2024. This expansion gives more room to our police department to function more efficiently and securely. It gives the police officers their own work area along with security monitors and also created a more secure setting throughout the town hall as well. ARPA fund grant monies were used for this project.

The fire department did lose some space within the fire department. However, the public should be aware that there were no services cut from the fire department in the town by downsizing the fire department a bit. The fire department mainly responds everything out of the Village department. The couple bays the fire department gave up, stored apparatus and equipment, it was not vehicles. The department has an ambulance, paramedic unit and fire truck available here at the town hall department. Once in a while, there may be a response from the town fire department.

3. The Town of Mukwonago launched a new website in 2023.
4. The Superintendent of Public Works Rick Peterson retired in 2023 after many years of service and Jeff Yaeger has replaced him. Jeff has been with the Town 1.5 years and is doing a great job in his capacity as Superintendent of Public Works. He has been proactive in making sure roadsides throughout the town are clean and always helping the public whenever he is asked.
5. Deputy Clerk-Treasurer Gail Obradovich retired in January 2024. The Administrator/Clerk-Treasurer hired a new Deputy Clerk-Treasurer, Kelly Mueller, and Kelly has been doing a great job since joining the town in September, 2023.
6. The Town rescheduled the total town revaluation to Spring 2024. It was to be in 2023, however due to turnover in the assessing department, it had to be pushed back to 2024.

2023 Annual Report

**PUBLIC
WORKS
DEPARTMENT**

2023 Public Works Department Annual Report

Annual Meeting April 16, 2024

The Town of Mukwonago Public Works Department had some changes in 2023. With the retirement of Rick Peterson, the Town hired a new Superintendent, Jeff Yaeger to replace Rick.

The Town also had a referendum to hire an additional Crewman. With the passing of the referendum the position was offered to Sergio Moralis, a current employee working for the Town of Mukwonago Parks & Recreation Department. Sergio accepted the position and is now a DPW Crewman along with Bob Silldorff.

Jeff Yaeger

Bob Silldorff

Sergio Moralis

Highways:

In 2023 we did some crack filling and spot sealing on three roads in the Town. The roads are Squire Lane, Westgate and Ashton Way. The work was performed by Crack Filling Service. We also did some asphalt patching down on Lakeview Drive – Lakeside Drive. The work was performed by Gaver's Pavers.

Bridge:

Bridge work was done also this year on the Beulah Road bridge deck. It had a polymer overlay applied to protect and expand the life of the deck. Work was performed by Fahrney Asphalt-Sealer's. We also had both approach areas repaired. Work done by Gaver's Pavers.

Town Hall:

The Town Hall had the approval of the Town Board to undergo some remodeling and updating some security issues. Security measures taken were adding bullet resistant windows to the Clerk's office and the Park & Rec Department office. Security cameras were updated and added to the interior and exterior of the building. A new programable security door entry system was added throughout the building. The remodeling of the Police Department also began.

Equipment:

The Ford F-350 truck that Rick ordered in July of 2021 did not come in so we went a different direction and ordered a 3500 Chevy Truck from Badger Truck in April. The truck was received in October. The truck was sent out to be outfitted with box, plow and salter. Also purchased was a new Holland tractor for ditch mowing. It is currently in the process of getting the mower installed.

Snow Control:

The 2023 snow season started out slow, but picked up midway through the season and continued to the end of the year. We reached the contracted maximum of inches so the contractor worked on an hourly basis for the last snowstorm of the year.

Signage:

The Town Board approved an ordinance to restrict parking on Extensions, T-Turnarounds and Road Ends and required signage to be placed accordingly. The DPW installed all 20 signs in response to the Ordinance.

The DPW also replaced the following signs:

- 53 Stop signs
- 25 Speed limit signs
- 10 miscellaneous signs

The DPW will continue to update and replace signs as needed.

Pipeline:

The Town Board approved the plan to install the stormwater pipeline. The pipeline begins in the Country Bliss Subdivision and runs to Stone Brook Hollow and ends in Campfire Court.

The project began in Spring and was completed in Fall 2023. The project was a success.

TOWN OF MUKWONAGO
PARKS & RECREATION DEPARTMENT
ANNUAL REPORT 2023

TOWN OF MUKWONAGO PARKS & RECREATION DEPARTMENT

FROM THE DIRECTOR

The Parks & Recreation Department takes pride in providing the community with a variety of different opportunities for individuals and families to participate in and get involved.

A special and sincere thank you goes out to those business owners that were kind enough to sponsor our youth programs, as well as our Site Supervisors, parents, volunteers, officials, instructors, coaches, and kids that followed our continued protocols/strategies with great patience and understanding.

Around 2,489 participants engaged in our programs in 2023, and for that we are truly grateful.

TOWN OF MUKWONAGO PARKS & RECREATION DEPARTMENT

MISSION STATEMENT

The Town of Mukwonago Parks & Recreation Department is committed to enhancing the quality of life for all residents of the community. This is achieved through the development and maintenance of public park lands, in addition to providing a variety of quality of recreational programs and activities.

PROGRAMMING

The Parks & Recreation Department offers a variety of different classes and programs from toddler, youth and adult enrichment activities to youth sports. The Parks & Recreation Department tries to have something for everyone. We continue to look at and listen to what the communities wants and needs are. Joining a recreation class or program has so many positive benefits, from increasing ones knowledge, to socialization, continuing education, being part of a team, learning a new skill, or just having fun!

EVERYDAY EXCELLENCE

STAFFING & VOLUNTEERS

The Parks & Recreation Department has one salaried full-time Director, David Adams, one regular full-time Park & Recreation Assistant, Anna Robertson. Three park staff; 1 part-time Park Maintenance Worker, Ross Voelker, and 2 part-time summer seasonal staff, Gavin Adams and Kyle Santos. In addition the Parks & Recreation department hired and relied on approximately 150 part-time seasonal employees in 202 to conduct, teach and oversee recreation programs and services. The employees are Junior High, High School, College students, adults and contracted businesses. These part-time or contracted individuals help contribute to the success of the Parks & Recreation Department. Some of their duties are youth sport officials, program instructors, program aides, and site supervisors.

COACHING FROM THE HEART

Thanks to 127 adult volunteer head youth sports athletic team Coaches, who put in over 35 hours each, for a total of around 4,445 hours. Coaches volunteer hours are served in attending meetings, planning practices and games.

ACTIVITY GUIDE

Three Activity Guides per year are mailed to Town residents.

- ◇ Summer Guide-early April ~Fall/Winter-early August ~ Spring Guide-early December.
- ◇ The Partnership with Liturgical Publications to print and mail our activity guides is going well. LPI retains the advertising revenue. There is no cost to us other than postage.
- ◇ Town savings realized is approximately \$2,500—\$3,000 per year.

Parks & Rec Dept Program

Partnerships

Collaboration with other Recreation Departments has created some very positive partnerships. The Town of Mukwonago has partnered with the Village of East Troy and the County of Waukesha. Working with these communities has strengthened the programs The Town of Mukwonago Parks & Recreation Department offers with increased participation along with providing additional programming for our residents that we would not be able to offer without the partnerships.

**Waukesha County

COMMUNITY PARTNERSHIPS

Mukwonago Area School District Partnership

A partnership with the Mukwonago Area School District has promoted positive collaborative use of facilities. The Mukwonago High School Softball program uses fields at Lauren Park for their teams in exchange for shared use of Mukwonago Area School athletic facilities. Additionally the Town of Mukwonago Parks & Recreation Department manages the MASD 5th & 6th grade Boys and Girls Basketball programs serving 169 youth in 2023.

INDIVIDUAL BENEFITS

Parks and Recreation provides opportunities for living, learning and leading full productive lives as well as avenues for people to experience purpose, pleasure, health and well being.

COMMUNITY BENEFITS

Parks and Recreation creates opportunities to live and interact with families, work groups, neighbors, communities and the world.

ENVIRONMENTAL BENEFITS

Parks and Recreation provides and preserves parks and open space enhancing the desirability of an area as well as contributing to the safety and health of its inhabitants.

ECONOMIC BENEFITS

Parks and Recreation and open space are not mere expenditures but an investment in the future well being of individuals and groups as well as the continued viability of our community.

PARKS AND RECREATION - THE BENEFITS ARE ENDLESS

- Socially involved people are 2 to 5 times less likely to suffer heart disease
- Reduce crime – it costs 100 times more to send a teen to jail than provide preventative recreation programs
- Every mile walked adds an average of 21 minutes to a person's life
- Families that recreate together report greater stability and satisfaction
- Be happier – feel great!
- Build family unity – the fondest memories involve family outings
- Control weight, look better, build strong bodies
- Diminish chance of disease, decrease insurance premiums – live longer!
- Build self-esteem
- Reduce stress – relax
- Eliminate loneliness – conquer boredom!
- Promote sensitivity to cultural diversity
- Increase community pride – strengthen neighborhoods
- Meet friends – create memories
- Enhance relationships skills – teach vital life skills
- Offer place for social interaction

THE HEART OF THE COMMUNITY

Parks and recreation have three values that make them essential services to communities:

Social importance

Health and Environmental benefits

Economic value

The effect that parks and their related services provide for families and communities cannot be overstated. For families, parks provide a space and reasons for quality time for relaxation or for fun. The time that a family spends together in a park strengthens the family bond between parents and children. Parks and Recreation programs provide places for families and social groups, as well as for individuals of all ages and economic status, regardless of their ability to pay for access.

For communities, parks and related programming offer a wholesome atmosphere for healthy activities for all ages. There are significant correlations to reductions in stress, lowered blood pressure, and perceived physical health to the length of stay in visits to parks. Children are the most apparent beneficiaries of this programming, particularly when the less positive alternatives to sports and recreation time with friends and family are considered.

From an economic standpoint, the quality of a community's park system is often a key consideration when a business is choosing a town for expansion or relocation and also increases a homeowner's property value. Parks improve the local tax base and increase property values. Quality parks and recreation are cited as one of the top three reasons that business relocate. Parks and Recreation programs produce a significant portion of operating costs from revenue generated from fees and charges.

We have developed a strong, vibrant, and ever-changing and growing parks system, and Parks & Recreation Department in the Town of Mukwonago that is sensitive to the needs of the community and is always striving to improve and grow. We hope to continue to be an integral part of the Town of Mukwonago community and look forward to the future.

Town of Mukwonago Park & Rec Dept RECOGNITION National Park and Recreation Month July 2023

Town of Mukwonago
Parks & Recreation Department
W220 50315 Deulah Rd, Mukwonago, WI 53149
262-363-7877

Designation of July as Park and Recreation Month

WHEREAS parks and recreation is an integral part of communities throughout this country, including the Town of Mukwonago; and

WHEREAS parks and recreation programs promote health and wellness, improving the physical and mental health of people in the town of Mukwonago; and

WHEREAS parks and recreation programs provide time spent in nature, which positively impacts mental health by decreasing negative emotions and well-being, and alleviating illness such as depression, attention deficit disorder, and Alzheimer's; and

WHEREAS parks and recreation encourages physical activity by providing space for popular sports, hiking trails, swimming pools and many other activities designed to promote active lifestyles; and

WHEREAS parks and recreation is a leading provider of healthy meals, nutrition services and education; and

WHEREAS park and recreation programming and educational activities, such as out-of-school time programming, youth sports and environmental education, are critical to childhood development; and

WHEREAS parks and recreation increases a community's economic prosperity through increased property values, expansion of the local tax base, increased tourism, the attraction and retention of businesses, and crime reduction; and

WHEREAS parks and recreation is fundamental to the environmental well-being of our community; and

WHEREAS parks and recreation is essential and adaptable infrastructure that makes our communities resilient in the face of natural disasters and climate change; and

WHEREAS our parks and natural recreation areas ensure the ecological beauty of our community and provide a place for children and adults to connect with nature and recreate outdoors; and

WHEREAS the U.S. House of Representatives has designated July as Parks and Recreation Month; and

WHEREAS the Town of Mukwonago, in Waukesha County recognizes the benefits derived from parks and recreation programs;

NOW THEREFORE, BE IT RESOLVED BY the Town of Mukwonago, Wisconsin that July is recognized as Park and Recreation Month in the Town of Mukwonago, in the County of Waukesha.

SIGNED on the 21st Day of June 2023

Peter Fugenschuh
Peter Fugenschuh
Chairman

OVERVIEW

Our Park system offers three community parks and open spaces.

The park system is open to the public daily from sunrise to sunset. Progress is continually made to meet the recreational needs of the community.

There are a total of approximately 90 acres of park property, divided into 3 parks and open space areas, including 7 baseball diamonds, 12 soccer fields, 5 football fields, 3 sand volleyball courts, 1 basketball hoop, 3 park pavilions, 2 playground structures, 1 concession stand, 1 outdoor kitchenette, and 1 storage building.

LAUREN PARK

- 4 baseball diamonds
- 5 flag football fields
- 1 park pavilion;
 - 2 permanent outdoor grills,
 - electricity available
- 2 sand volleyball courts
- 1 playground
- 1 concession stand building
- 1 storage building
- 1 basketball hoop
- 2 sledding hills
- Hiking trail
- 3 portable bathrooms

MUKWONAGO TOWN PARK

- 2 baseball diamonds
- 8 soccer fields
- 1 park pavilion
- 1 playground
- 1 sand volleyball court
- 1 kitchenette
- 3 seasonal portable bathrooms
- 2 horseshoe pits
- Fred Leppin Memorial

OAK RIDGE PARK

- 1 baseball diamonds
- 2—4 soccer fields
- 1 flag football practice field
- 1 park pavilion
- 2 seasonal portable bathrooms
- Hiking/Cross Country Trail

International Association of Chiefs of Police

Vacant Premise Checks - Officers conducted vacant house checks and business checks. When the time permits, upon request, officers will make periodic checks of vacant or vacation homes as well as businesses. In 2023, officers conducted a total of 1499 house checks, and 4187 business checks. Requests for checks can be made through the department website, over the phone or in person.

The police department fleet consists of five Ford Explorer's, one Chevy Tahoe, one 2016 16' Alumacraft patrol boat and 2 Artic Cat snowmobiles for Ice Patrol. Squads finished the year with the following mileage;

#1

#2

2015 Squad #1 - 133,985
 2020 Squad #2 - 69,223
 2020 Squad #3 - 39,618
 2017 Squad #4 - 80,829
 2018 Tahoe #5 - 43,571
 2022 Squad #6 12,503
 (in service as of 6/1/23)

#3

#4

Throughout 2023, officers put a total of 82,633 miles on the squads in the fleet while patrolling the community.

#5

#6

Fuel costs for the year were \$20,184.28. Which is a slight decrease from 2022.

Motor Vehicle Crashes

For the year, officers responded to a total of **148** vehicle crashes. Of those, **91** were reportable crashes that generated reports.

Calls for Service

In 2023, officers handled a total of 21,757 calls for service. This number includes all citizen initiated calls and officer initiated calls routed through the Village of Mukwonago Police Department dispatch center. Included in these numbers were 401 911 calls. In addition, officers conducted a total of 1,759 traffic stops resulting in 966 citations.

Personnel Changes

With the passing of the referendum in the fall of 2022. The department was able to add staffing in 2023. We were able to fill 2 of the 3 new positions created. The first position was filled in February 2023 by Officer Ben Dolnick. Officer Dolnick came to us with approximately 12 years of law enforcement experience. The second position was filled in July of 2023. Officer Jason Komorowski was hired to fill the second position. Officer Komorowski came to the department with approximately 11 years of experience. Both have been welcome additions to the department.

Officer Ben Dolnick

Officer Jason Komorowski

Police Commission

The Police Commission is made up of five community members appointed by the Town Chairman to five year terms. The current members are:

Chairman Lyle Boucher	Term ends in 2023
Secretary James Gilboy	Term ends in 2024
Commissioner Tony Kuczynski	Term ends in 2025
Commissioner Robert Maus	Term ends in 2026
Commissioner Tom McAdams	Term ends in 2027

The Police Commission receives its authority under State Statute 60.61 and 62.13. The Commission is responsible for the following areas:

- Appoint, suspend or remove the Police Chief under "just cause".
- Approve all appointments/promotions made by the Police Chief.
- Approve competitive exams used to judge suitability for appointments of subordinates.
- Approve each list of individuals determined to be eligible for appointment.
- Suspend the Chief or subordinates pending the filing and hearing of charges against them.
- Initiate charges against the Chief or any subordinates.
- Hear charges filed against the Chief or subordinates, make findings and determinations, and impose penalties.
- Hear appeals of disciplinary actions initiated by the Chief against any subordinates.

It is with great thanks that this department would like recognize them for the long hours of service in their volunteer posts.

Mission Statement

It is the mission of the Mukwonago Fire Department to provide a range of programs designed to protect the lives and property of the inhabitants of the Village and Town of Mukwonago from the adverse effects of fire, sudden medical emergencies or exposure to any dangerous condition created by either man or nature.

Vision Statement

The Mukwonago Fire Department will continually strive to exceed our citizen's expectations working within a healthy, safe, and innovative environment that enhances the professional and efficient delivery of emergency services. We also strive to be an organization providing community safety education and information keen to anticipate, influence and embrace change.

Core Values

Integrity – openness, honesty, loyalty, and honor; leading through example to achieve a common goal by actions.

Professional Development – commitment to continually expand the abilities of personnel, encourage continuous education and advancement opportunities as becoming officers.

Accountability – all personnel, management and otherwise providing a level of accountability to each other and the community and the implementation of responsible measuring.

Teamwork – develop and maintain a sense of family camaraderie and loyalty to one another and to the community; provide a sense of help and encouragement for all and by all.

Innovation – progressive, pro-active, modern, open, and creative; open and receptive to all input and feedback

Chief's Report

I appreciate you taking the time to see who we are and what we do. Should you have further questions or are interested in joining this organization you can contact us. We are always looking for additional highly motivated and team-oriented people to join our staff.

2023 was an exciting year. November of 2022 the Town and Village residents approved a referendum that would add six (6) additional fulltime staff to the Mukwonago Fire Department. This would bring the daily staffing level to four (4) full-time staff and the Chief. In addition, two (2)-12 hour Paid on Premise positions were combined to make one (1)-24-hour position seven (7) days a week. Paid on Call staff are utilized from 1800-0600hrs 7 days a week. POC membership is declining nationally and MFD is not immune to this trend. The shortage of available trained individuals, and recruitment of POC/POP staff is becoming an increasing challenge. Of the six new staff three are Firefighter/Critical care Paramedics and three are Firefighter/ EMT- Basics. As of August 2023, we are at full staffing.

Once the full-time staffing was in place Mukwonago Fire Department did a promotional process as part of our reorganization. Three Captains and three Lieutenants were promoted and sworn in December 2023. There will be a Captain and Lieutenant assigned to each shift. This will provide leadership and supervisory guidance to the department and daily operations.

2023 Mukwonago FD continued dispatching services with Waukesha County Communications Center (WCCC). WCCC provides for immediate pre-alerting incidents, followed up with coded emergencies. WCCC provides a dedicated Fire Dispatcher, auto aid and predetermined response plans. MFD total call volume reached 2004 calls for 2023. MFD responded to 70 less EMS calls, 42 fewer inter-facility transports and 1 more Fire requests, overall, 5.2% decrease in call volume.

Mukwonago Fire Department took delivery of two new Chevrolet Tahoe's. One was designated for a new Paramedic Intercept vehicle and the other a Battalion Command vehicle.

Annually, we examine our operations, we have taken an emphasis on transitional firefighting, predicting fire flow, working with minimal staffing models. Several departments continue to hire full-time staff and we saw several staff be hired full-time in other departments. The part-time model is becoming increasingly outdated and unreliable.

The 2019 Mukwonago Fire Department Study examined administration, staffing, operations, future growth, and needs. There were 43 criteria and recommendations from this study. As of the end of 2023 36 of those 43 recommendations have been completed. There are some that will not be achievable without the investment financially, such as sleeping quarters and 24-hour staffing at the Town of Mukwonago station and becoming a less revenue-based agency. State Shared Revenue increase designated to fire, EMS, police, public works, and roads has provided an opportunity to lessen the burden but discussion with the respective Town and Village Boards needs begin.

Everyone is welcome at any time to stop in, meet your firefighters, and look at your apparatus. As well as responding to calls, members have spent numerous hours in training and education to keep their skills at top levels. Enjoy the following more detailed information in the following pages.

Respectfull,
Jeffrey R. Stien
Fire Chief

Role of Mukwonago Fire Department Personnel

Save life, Protect Property, Render Assistance... IN ADDITION...

The role of today's fire department personnel is quite different from that of years past. The fire service is constantly changing to meet the needs of the community under ever changing times.

Mukwonago Fire Department Personnel need to possess certain attributes to be successful in the role of Firefighter/EMT's: commitment, dedication, integrity, confidence, resilience, adaptability, effective communication skills.

A common image of the firefighter is that of fighting fires. The reality is this is a small fraction of the role. Personnel are cross trained in firefighting and EMS skills. This is effective utilization of the limited number of personnel on the Mukwonago Fire Department. Fire and EMS personnel function in a multi-faceted role within these common areas:

Prevention

Bi-annual inspections and education activities that prevent fire, aid in rapid extinguishment, or limit the loss of life and property.

- Business, school, residential facility, and home safety inspections
- Education presentations in daycare facilities and schools
- Facility tours
- Open house and other public relations activities to enhance the public's perception of the Mukwonago Fire Department.
- Maintain excellent working relationships with other local departments such as the Police and Department of Public Works.
- State Statute mandates annual and bi-annual fire inspections for specific types of occupancies, commercial, residential

Preparation

Maintaining all aspects of the Mukwonago Fire Department and its Personnel in a state of readiness.

- Routine apparatus and equipment check – observing and checking for needed repairs, replacement, expirations, and deficiencies.
- Cleaning – apparatus and equipment will last longer and function more effectively. Station cleaning is also important

in preparation should the need to open our doors for displaced members of the community.

- Personnel ensuring their own fitness levels are such that they are prepared for the physically and mentally demanding work.
- In house training monthly for EMT's, Paramedics, Fire Department, Duty Company, and Dive Team.
- External training at WCTC, Gateway Technical College, seminars, or other experiential opportunities to further the knowledge of Mukwonago Fire Department Personnel and to stay current with ever changing technologies.
- Perform administration duties related to records and documentation, thus promoting an overall efficient operation of the Mukwonago Fire Department.

Protection

Programs in place to protect Mukwonago Fire Department Personnel and the community in the event of an emergency.

- Vaccinations against influenza, scheduled personal protective equipment inspections and routine cleaning.
- Annual SCBA flow and fit tests
- Annual apparatus pump testing, ladder testing and hose testing
- Fire Code and ordinance enforcement.
- New turnout gear with Cancer barrier

Response

Putting necessary items into place to expedite the response of Mukwonago Fire Department in the event of an emergency, and safely mitigate any incident.

- Driver training and education regarding safe and prompt responses.
- Familiarizing all personnel with the Mukwonago community.
- Familiarizing personnel in the use of GPS units in all apparatus.
- Being prepared for incidents that not only involve fire and medical emergencies but also:
 - Motor vehicle accidents
 - Hazardous materials leaks
 - Railroad incidents
 - Water and Ice emergencies
 - Natural disasters
 - Any other response for which requested.
- Operate apparatus such as engines, aerial devices, water tenders, trailers, ambulances, and support vehicles within the vehicle's design parameters so that the apparatus is used safely and effectively.

- Responsible for all firefighting duties involved in the incident necessary to save lives and property, combat, extinguish and/or prevent fires.
- Effectively perform these duties as required under emergency conditions frequently involving considerable hazards.
- Provide medical assistance and administer medical procedures to stabilize a patient's condition and prepare them for transport to medical care facilities.
- Safely perform rescue operations for the victim and rescue personnel.

Executive Summary

Number of Annual Fire and EMS Calls Per Year

Year	Total	Total % Change	EMS	EMS % Change	Transfers	Transfer % Change	Fire	Fire % Change

ProHealth Care (PHC) provided the number of admission (PHC to PHC facility) and transfer (PHC to other than PHC facility) requests related to the Mukwonago ER. The total numbers include any inter-facility transport request. This includes other than a ProHealth Care facility. The percentage transported by Mukwonago FD declined since in 2022 the hospital beds were opened, and patients were being taken for extended observation on a floor.

Total	1697	100%

2023 CPR Report

The CPR program at the Mukwonago Fire Department has continued to provide Mukwonago Fire Department personnel and the public the opportunity to become CPR certified. The CPR program at MFD has continued to adapt to the needs of MFD and the community by providing both in-person classes and hands on checkoffs for online courses.

For the 2023 year we taught 10 CPR classes, with a total number of 33 students. 7 of those students were MFD personnel. The classes for MFD personnel are primarily taught while the personnel are on shift. This saves time and money for both the department and the student.

The program had multiple expenses over the course of the year. MFD purchased 24 online courses at a cost of \$816 to provide to MFD personnel. This year, after having significant struggles with our old DVD we replaced our CPR video at the cost of \$209. The video we upgraded to will no longer be DVD style and so we will no longer need a DVD player to run the course. Overall, we had a financial difference of negative \$583, for the 2023 year.

The above chart indicates all the hours of training, meetings, and personal development MFD members attend throughout the 2023 year. Emergency services are very demanding, and continuous training is required to keep up with ever-changing challenges members will encounter. A total of 3,476.25 hours of training completed for 2023. Average of 99.32 hours / employee based off 35 employees. This is up from 77hrs/staff in 2022.

Engines

Vehicle: Engine 34 – Rosenbauer Commander Pumper-Tender

Year Purchased: 2021

Approximate Cost: \$ 740,000

Replacement Year: 2046

Replacement Cost: \$1,500,000

Vehicle: Engine 32 – 2002 Pierce Enforcer

Year Purchased: 2002

Approximate Cost: \$ 285,000

Replacement Year: 2026

Replacement Cost: \$ 1,000,000 (Pumper-Tender)

Aerial Apparatus

Vehicle: Truck 34 – Rosenbauer Cobra 101'
Year Purchased: 2013
Approximate Cost: \$ 775,000
Replacement Year: 2038
Replacement Cost: \$ 1,500,000

Specialty Apparatus

Vehicle: Brush 34 – Ford F350
Year Purchased: 2016
Approximate Cost: \$ 37,819
Replacement Year: 2031
Replacement Cost: \$ 66,000

Vehicle: UTV 34 –2022 John Deere and Trailer
Year Purchased: 2022
Approximate Cost: \$ 35,000 w/ trailer
Replacement Year: 2037
Replacement Cost: \$ 45,000

Water Operations

(Ice and open water)

Vehicle: Boat 34 – 1998 Rescue One
Year Purchased: 1997
Approximate Cost: \$ 13,000
Replacement Year: 2024
Replacement Cost: \$50,000

Personnel Vehicles

Vehicle: Utility 34 – Chevrolet Silverado 3500
Year Purchased: 2020
Approximate Cost: \$ 50,000
Replacement Year: 2032
Replacement Cost: \$65,000

Vehicle: Intercept 34 – Chevrolet Tahoe
Year Purchased: 2023
Approximate Cost: \$60,000
Replacement Year: 2029
Replacement Cost: \$70,000

Vehicle: Battalion 34
Year Purchased: 2023
Approximate Cost: \$65,000
Replacement Year: 2030
Replacement Cost: \$70,000

Vehicle: Battalion 32 – Chevrolet Tahoe
Year Purchased: 2015
Approximate Cost: \$45,000
Replacement Year: 2029
Replacement Cost: 2023 Chevrolet Tahoe

Ambulances

Vehicle: 2022 Horton Ford F550
Year Purchased: 2022
Approximate Cost: \$ 280,000
Replacement Year: 2030
Replacement Cost: \$ 674,000 with Power load and cot

Vehicle: 2017 Horton E-450
Year Purchased: 2017
Approximate Cost: \$ 196,000
Replacement Year: 2025
Replacement Cost: \$ 479,000 with Power load and cot

Vehicle: 2019 Med Tec Ford E-450 Remount
Year Purchased: 20
Approximate Cost: \$ 116,691
Replacement Year: 2027
Replacement Cost: \$ 617,000 with Power load and cot

Special thank you the Mukwonago Fire Rescue Inc. (MFRI), this is the unaffiliated association. If it was not for the members of the association raising money for the betterment of the department. The association provides financial support to the Mukwonago Fire Department members by purchasing exercise equipment, bedding, kitchen supplies, and furniture. The Association annually donates to the community every year \$6,000 to educational scholarships and other organizations that need assistance such as the burn camp.

2024 Waukesha County Supervisor Annual Letter

My name is Darlene M. Johnson, and I am your 25th District Waukesha County Supervisor, which includes Wards 1 to 8 of the Town of Mukwonago, Wards 2, 4, and 5 of the Village of Vernon, and the Village of Mukwonago. I have been your current county official since 2016.

The Waukesha County swearing in and organizational ceremony will take place during the Annual Town of Mukwonago April 16th meeting, so I am unable to attend the meeting in person. As of this time, my current County Committee assignments are Public Works and Human Resources, as well as having subcommittees of Traffic Safety Commission (TSC), Children and Families Services Advisory Committee (CAFSAC), and Phantom Lakes Management District (PLMD).

Serving on the Public Works Committee, I strive to keep the Town of Mukwonago residents updated with road projects, bridge projects, as well as alerting you to any county concerns that might affect you.

There is a future bridge closure affecting my District. It is scheduled for the Center Drive Bridge over the Fox River which was originally constructed in 1928 and last resurfaced in 2011. The purpose of this project is to replace a structurally deficient bridge that has reached the end of its useful life.

Construction will begin Spring (March) of 2025 and completion anticipated Fall (September) of 2025.

The route detour signs, used during construction, will be posted on Edgewood Avenue, STH 164, (Clark Street), CTH L and Maple Avenue, which is in the neighboring municipality of Village of Vernon. The detour takes you from Center Drive Bridge to Edgewood Avenue to Clark Street and back to Maple Avenue to get to the Center Drive Bridge over the Fox River.

The project is needed to improve the pavement surface, replacement of existing guardrail, and provide a safe roadway by improving substandard geometric features, and improve drainage.

If there is any road concern, (i.e. dangerous debris in the county road), please don't hesitate to contact me or the Sheriff's Department. Waukesha County Public Works appreciates your patience in regards to complaints of grass, brush and snow removal throughout the year.

Thank you for listening and you can always contact me by phone, text, or email with any Waukesha County concern.

Sincere regards,

Darlene M Johnson

25th District Waukesha County Supervisor
